

## LOOKING FOR HEALTH AND SAFETY SOLUTIONS AT WORKPLACE?

American  
Heart  
Association.

## WE CAN HELP YOUR WORKFORCE IN SAUDI ARABIA

International SOS - Al Rushaid provides comprehensive First Aid Training for non-medical professionals, in compliance with the American Heart Association (AHA) Heartsaver® program.

Our certified instructors are highly qualified and equipped to offer your workforce the essential knowledge and skills to handle injured, sick, or critically impaired individuals. This training can be crucial in emergency situations and has the potential to save lives.

We offer flexible training options, with instructors available to conduct sessions either at your premises, at remote sites, or at our center in KSA.

### Our First Aid services in KSA include:

- First Aid Training - 1 Day
- Advanced First Aid Training - 3 Days
- Supply of First Aid Kits and Automated External Defibrillators (AED)
